

## **Randall K. Cooper High School PTSO Members**

The PTSO is a nonprofit, volunteer organization in which parents, teachers, and students work together as a team to ensure continued educational excellence for our children. We provide support to the entire school through fundraising, service activities and by addressing concerns regarding the school that may have an effect on you. We want to create positive communication and partnership between families and the school for the benefit of the students, as well as provide an opportunity to work with others to come up with resolutions. Also, we wanted to promote family involvement in a variety of ways (i.e. ideas, volunteering, fund raisers, etc.).
